Col/Mull:

I have checked on this --

According to Who's Who - published by A. Marquis - Mr. Churchill's birthday is indicated as 8 November. (This is source used by Ann.)

The Macmillan publication of Who's Who has the birthdate as Nov 30.

I have suggested to Ann that she check both issues in the future and any other source available.

safely received here.

Mr. Churchill's birthday is not until November 30, so I will have it and present it on that day.
