Dear Bedell:

Mr. John E. Bierwirth, President
National Distillers Products Corp.
One Twenty Broadway
New York 5, New York

Dear Jack:

I am terribly sorry I missed seeing you on Tuesday, but I think Murray McConnel told you what happened.

Please let me know when you are coming to Washington again (which, I hope, won't come at a time when we are faced with a new international crisis) as I am anxious to have a talk with you.

Faithfully,

s/Bedell

Dear Bedell:

Delighted to receive your note of the 20th and know you are going to be in Washington and have a little time on the 28th. 3:30 in the afternoon is fine for me and I will be at your office at that time. I did not know that Murray McConnel is with you and will, of course, be delighted to see him.

Hope all is going well with you and will look forward to seeing you Tuesday.

Yours sincerely,

Jack
