Director's Meeting

Thursday, 3 May 1951

The Director stated he had been elected Chairman of the Psychological Strategy Board and said to call a meeting of the working level committee to instruct them on what he wanted done. This was called for 11 a.m., 8 May.

The Director asked Mr. Dulles to investigate the possibilities of using

HR70-14

Mr. Dulles said that had wanted to send out a delegate as a result of his conference with the Director and that he had prevented it.

The Director asked what we are doing about taking over Willoughby's nets. Mr. Dulles said he would look into it.

Mr. Dulles presented a memorandum from General Wyman asking that national intelligence requirements be discussed at the IAC. The Director stated that that was to be coordinated by Mr. Reber.
