Conversation with Mr. Kirkpatrick about recent developments vis a vis the FBI.

Meeting with representatives of Commo in regard to method of presenting their projects. In many cases, O/PC projects will have a Commo annex stipulating certain numbers of dollars and bodies necessary for the project. I advised Commo that before these projects are presented to the PRC, they should obtain prior approval by Management for the increase in T/O. This, of course, would be subject to approval of the project by the PRC.

Talked to [redacted] and explained the above to him.

Talked with Mr. Hunt about PSB interest in refugee defectors [redacted] also a Mutual Aid agreement. There will be a PSB Committee meeting tomorrow morning and we have agreed to send [redacted] to this.
