SUBJ: Project CARRERA

DECLASSIFIED AND RELEASED BY
CENTRAL INTELLIGENCE AGENCY
SOURCE METHOD EXEMPTION 3828
NAZI WAR CRIMES DISCLOSURE ACT
DATE 2007

1. The Project CARRERA, as originally approved, expired on 30 September 1954. Pending the receipt of the Field Project Outline, Chief, EE/FI/G, on 18 October 1954, requested and received an extension through 30 November 1954. The Field Project Outline, EGMA-18259, dated 3 November 1954, reached Headquarters on 14 December 1954.
2. The Field Project Outline, containing the request for renewal, incorporates numerous changes, including requests for additional funds and personnel. However, in view of the increasing and continuing attempts by the RIS to penetrate the CARRERA office in Berlin, EE feels that additional provisions should be made to protect the Principal Agent, [] and the provisions now proposed in the renewal are inadequate. We are querying the Field on proposals for increased protection. Meanwhile, the Field has requested and EE agrees that the Principal Agent deserves an increase in salary of \$25. per month.
3. We therefore request an extension of the project in its present form, except that the Principal Agent's salary be increased by \$25. per month, effective 1 January 1955. This extension is to cover the period from 1 December 1954 through 31 March 1955.
4. Operational funds involved in this extension will be approximately \$900.
