NAZI WAR CRIMES DISCLOSURE ACT  
DATE 2007

1. We request that the Project Outline AECARRERA, which was submitted for renewal on 1 April 1955, be amended as follows.

2. As we emphasized in the Project Outline renewal, the increasing pressure of the work load in the AECARRERA office makes it absolutely essential that an additional Principal Agent be obtained in the AECARRERA office. We now propose to employ, effective 1 June 1955, [redacted], henceforth to be known as [redacted] in this capacity.

3. [redacted] is a 39-year-old Lithuanian national who has been employed in various capacities by KUEARK since 1951 and consistently has performed in a superior fashion. Since the Spring of 1954, she has been employed in the Berlin USANCE office in much the same capacity as we now propose to use her. While financially dependent upon this organization, [redacted]'s principal motivation lies in her interest in the work and her anti-communist sentiments on both the personal and intellectual level. She has received the following clearances: No. 4649, 9 December 1952, as [redacted]; No. 5690, 14 April 1953, as [redacted]; No. SO 2713, 18 May 1954, as [redacted]. Operational funds in the amount of \$1,300 have been requested in the recently submitted AECARRERA project renewal to cover the salary of the proposed Assistant Principal Agent. We have requested a detailed report from the Field on any effects this new job might have upon [redacted]'s cover, identity documents, and salary. We shall send this information to you as soon as it is received. Meanwhile, we are requesting CI/DA to amend [redacted]'s clearance to cover her proposed new duties.

4. We should also like to inform you that henceforth project AECARRERA will be handled at Headquarters by the AFVIRGIL desk officer. Future inquiries should be directed to [redacted], SR/3/76, Room 1512 J, Extension 2242.
