MEMORANDUM FOR: Chief, Foreign Intelligence Staff

SUBJECT: Extension of Project AECAR-ERA

1. Present plans for Project AECAR-ERA developed both in the Field and at Headquarters envisage a complete reorganization of the project sometime before the beginning of 1958. These planned changes include a turnover of all personnel and major alteration of operating methods and structure. In view of the foregoing, it is requested that Project AECAR-ERA be again extended in its present form through 31 December 1957. (The project was recently extended from 1 July through 31 August 1957.)

2. AECAR-ERA was allocated \$10,000 for the two-month extension period July-August 1957, including financial settlement with the wife of a presumably kidnapped principal agent. The above-requested extension is requested for the period 1 September through 31 December 1957 at a cost of \$6960 (\$2800 compensation, \$1200 travel, \$3960 operational expenses and \$80 operational supplies).
