MEMORANDUM FOR: Deputy Director, Plans

SUBJECT : Termination of AECOB/ZRLYNCH PP Project

1. Notice is hereby given that subject project was terminated as of 30 June 1953.

2. Subject project was originally approved 24 August 1950 by CPO as an integral part of the ZRLYNCH project for a total amount of \$30,000. It was subsequently renewed as Project AECOB which provided for both FI and PP activities and was approved by Chief, FI on 27 October 1952. The PP portion of this project provided for an authorization of \$52,450. The approval and authorization for the latter portion expired on 30 June 1953, and the PP aspects of Project AECOB were not submitted for further renewal.

3. It was decided at that time that the original objectives, i.e., unifying the Latvian emigration, organizing and supporting FI, PP activities within the target area, were not only too ambitious in concept, too difficult of accomplishment, but also no longer desirable as well.

4. There are no existing commitments regarding funds, personnel or material in connection with subject project.
