a. Mission
The establishment of clandestine support facilities in the Latvian SSR for the purpose of contacting, organizing and developing agent and underground facilities for the performance of the OPC/OSO missions in the USSR.

b. Accomplishments
The three Latvian agents are receiving their final briefing from the Headquarters Latvian desk officer who has been dispatched to Germany for this purpose. Coordination for the dispatch of this mission has been accomplished with the British and Swedish Intelligence Services.

Upon the dispatch of the above agents the two Latvian consultants will be brought to the U.S. where they will be employed as instructors in the training of additional Latvian agent teams. There will be no more Latvian agent training in Germany.

The two U.S. spotted Latvian agent prospects are standing by to enter training for spring 1953 dispatch, after the establishment of a domestic Latvian training unit in the first part of September.
