Subject: Proposed Transfer of SR/DOB to
DODS--Stipulations and Requirements

Attached is a copy of a memorandum requesting written requirements from its addressees for DOB. These requirements concern the present direction and work of DOB and are not directed at the matters we have discussed with SOD concerning some reorientation of DOB requirements. In this latter connection we are looking forward to the recommendations from [] concerning contingency requirements in other areas.

of 17 December 1963 from Chief, DODS
Subject: Proposed Transfer of SR/DOB to

In paragraph 4b of reference the forecasted needs for reservist assets in line with the checklist attached to reference are requested. It would be very helpful if these requirements could be submitted to this office by 8 May 1964. It is my understanding that C/DO/DOB has discussed these requirements orally with the addressees and that what is involved at the moment is a reduction of these requirements to writing.
