SUBJECT: GENERAL— REDWOOD/LCIMP/PROVE/AEBATH/SUPPORT

SPECIFIC— Fiscal Year 1958 AEBATH Project

Reference: EGMW-5794, dated 2 April 1958

ACTION REQUIRED: See below.

1. AECAPELLIN/2 has been considered a member agent of Project AEBATH due to the ramifications stemming from his association with AECAPELLIN/1. For this reason, his administrative needs have been handled through Project AEPACAW. In this regard, see EGMA-26437, dated 26 August 1957, for the AECAPELLIN/2 MOA.

2. If Headquarters feels it would be better from the administrative point of view to include AECAPELLIN/2 via Project AEBATH, we have no objection.

3. Regarding paragraph 2 of the reference, a check of Munich Base accountings for Project AEBATH indicates that the project for Fiscal Year 1958 is running well within its estimated cost. If Headquarters is including AECAPELLIN/2 costs in the AEBATH Project, this may be the reason why Headquarters records indicate that the project is running beyond the estimated cost.
