MEMORANDUM FOR: Chief, FI

SUBJECT : Request for Amendment to Project AEMANNER

1. It is requested that an amount of \$11,650 be authorized for Project AEMANNER during the current renewal period 1 August 1956 to 31 July 1957. This amount is to be considered as over obligated in view of the fact that the total amount authorized for renewal period is \$26,400.

2. The over-expenditure of Project AEMANNER resulted from a series of misunderstandings, largely concerned with [redacted]. In January 1956 a Memorandum of Oral Agreement with [redacted] was received from Frankfurt, charging his expenses to AEMANNER effective 1 January 1956, duly approved by FI Staff. Subsequently the field requested authority to provide housing for [redacted] and his family. Headquarters concurred provided the housing facility was also used as a safehouse under Project AEPOLE. A second Memorandum of Oral Agreement effective 1 May 1956 was received. The covering dispatch stated the previous agreement had been canceled and that the conditions governing the procurement of housing had been met. Accordingly, Headquarters processed the agreement through PP Staff on 24 April 1956. In December 1956 the field proposed that [redacted] should establish a Press Agency in Bonn, and that he be given Headquarters training. This proposal and Headquarters approval in principle were labeled AEMANNER. Meanwhile, [redacted] was offered a job by [redacted], an agent under Project AEPOLE. The traffic between Headquarters and the field concerning this was labeled AEPOLE. In March 1957, the field requested permission under AEMANNER for [redacted] to sign a lease for a new house in Bonn. Headquarters approval was contained in a lengthy cable primarily concerned with the AEPOLE job, and was labeled AEPOLE. The high rate of expenses reported against AEMANNER prompted a query to the field as to which Project was supporting [redacted]. The station responded that salary, operational and travel expenses, furniture and advance rent payment for the new Bonn safehouse had been charged to AEMANNER. In addition, funds above the approved amount unfortunately had been allotted to Frankfurt for AEMANNER.

3. In view of this involved situation--further complicated by the fact that the fiscal year is closed and additional funds to cover [redacted]'s expenses cannot be allotted to PP Project AEPOLE--it is requested that this amendment to AEMANNER be approved.

PP  
 referred to  
 along with  
 request. They  
 approved but
