NO INDEXING REQUIRED

INDEXING CAN BE JUDGED
BY QUALIFIED HQ. DESK ONLY

ACTION REQUIRED Your review and comment on attached Project
AEPHAROS draft.

REFERENCE(S) [] [] dated 23 November 1956

1. Attached hereto are the odd numbered pages of the first draft of a new project for [] []. The even numbered pages and the Identities are forwarded under separate cover.

2. At this juncture, at the direction of KUTVOR, the old umbrella Project AEMARSH is being redocumented as separate projects, and it seems particularly desirable that [] [] have the opportunity to comment on the [] [] operation. The accompanying draft Project Outline presupposes that [] [] is in [] []'s opinion worth continuing as a regularly salaried agent. Headquarters, while not overly impressed with [] []'s accomplishments, is nevertheless inclined to feel that he is, if only for want of someone better to take his place.

3. We would appreciate receiving your comments on, emendations, etc. of the attached Project AEPHAROS draft as soon as possible as well as any views or suggestions you may have about the use of [] [] not just during the next year, but over the long haul.
