Political Correspondence with the Field

Reference: OSLA-8129, 28 October 1954

The following letter has been received from (SMYPLA) signed by (FRITZER):

"In accordance with the procedure agreed at the (KUBARK/SMYPLA) conference in early 1954 on the exchange of correspondence between (AECAVATINA/6) and (AECASSOWARY/1), I am enclosing a letter from (AECAVATINA/5) to (AECASS/2). The attachment to (AECAVATINA/5's) letter is an account from the field of investigations concerning (AECASSOWARY/5) who was officially reported to have been executed in May 1954. An English translation of the text of this attachment was handed to (KUBARK) at the (KUBARK/SMYPLA) meeting in Frankfurt on the 20th January 1955.

"In a recent letter to (AECAVATINA/5), (AECASS/2) has made some forecasts on the continuation of (SMYPLA) support of (AECAVATINA/6). As we ourselves are not certain of the extent and duration of our support for (AECAVATINA/6), I would be grateful if (AECASS/2) could be asked to use the channel agreed at the (KUBARK/SMYPLA) 1954 conference for correspondence which touches on operational matters - especially on touchy questions of finance."
