SUBJECT <b>NEEDWOOD AERODYNAMIC Briefing of ABCASSOWARY/2</b>		ABSTRACT	
		MICROFILM	

ACTION REQUIRED - REFERENCES

**FYI**

**EGFA-32519, 18 November 1960**

1. **ABCASSOWARY/15** was recently briefed in complete detail on the operation cited in reference. He in turn will brief **ABCASSOWARY/2** on his next trip to New York, about 5 December. **ABCASSOWARY/15** normally sees **ABCASSOWARY/2** about once a week, either in New York or Washington.

2. As a rule, the Headquarters case officers see **ABCASSOWARY/15** daily, and it is not difficult to keep him briefed. When copies of **ABCASSOWARY/29's** written reports are forwarded from the Field, **ABCASSOWARY/15** receives copies which are kept in his office safe in an **ODYCKE** building. When the reporting is via **KUBARK** dispatch or cable text, in a form which cannot be shown to **ABCASSOWARY/15**, we read from the text and he makes notes for rebriefing of **ABCASSOWARY/2** when necessary.

3. Personal contact between **ABCASSOWARY/2** and the Headquarters officers takes place about each three weeks. There is some briefing on **ABCASSOWARY/29's** activities on these occasions. There is telephone contact with **ABCASSOWARY/2** almost daily, but few attempts to do any detailed briefing. Therefore, **ABCASSOWARY/2's** knowledgability on **ABCASSOWARY/29** almost invariably lags. This situation will be inevitably chronic but not serious. We can only try to maintain the best possible co-ordination under the circumstances.
