MEMORANDUM FOR: Chief, CI/OA

SUBJECT : HANETSKA, Olga
C-100859

REFERENCE : CI/OA Request for Information and Review, Dated
21 January 1963.

1. Available FRQ Part I information on Subject was supplied along with Request for Approval on 25 June 1962. At that time it was stated, in paragraph 3 regarding details of use, that it was planned to brief Subject for a Redskin mission to the USSR and debrief her on her return. She would be briefed and debriefed by AECASSOWARY/29, the Project AERODYNAMIC principal operations officer, but would have no contact with CIA personnel nor would she be aware of U. S. Government interest.

2. Subject has postponed her proposed trip to the Soviet Union until a later date. Therefore, the briefing has not taken place, but it is planned to do so when Subject has made arrangements for her travel. Because of the lack of sufficient reason for contact with Subject at this time, it is also impossible to supply a FRQ Part II. It is requested, however, that the FOA which expired on 19 January be reinstated until such time as cancellation is requested, so that contact with Subject may be renewed when appropriate.

3. Please contact [] on extension 7168, Room 5B0003, should you have any questions regarding Subject.
