

Subject: A Strike in kolhosp

SOURCE: Dr Kl

1. While in LVOV Source was told by her friends that late summer 1963 in a kolhosp near ZBARAZ the whole population went on strike in protest against the arrest of a peasant who had written to his relatives in the USA about life like in hell in the Soviet Union. Kolhosnyks striked for several days in spite of threats of rayon and some higher authorities and finally the man was released.
