MEMORANDUM FOR: Chief, SR/CA  
SUBJECT: Petr Illarionovich BAGRI

1. The following was passed informally to Mr. Sam Papich, the FBI Liaison Officer:

With reference to CSCI-3/779,634, the information regarding this contact came to us from a long-time associate of this Agency, Mr. Mykola LEBED, President of the Prolog Research and Publishing Association, Inc., 875 West End Avenue, New York, New York. Mr. LEBED received the information from Roman MAC, who is known to the FBI, and who presumably learned about it from DELENGA.

2. In the opinion of the FBI Liaison Officer, it will not be necessary to tell the ultimate source of the information, Mrs. DELANGE, that they know she has passed the information on BAGRI to others. They will continue to work with her on the case. However, it may become necessary at some point to ask LEBED's help.

3. If this becomes necessary, I said we would be glad to inform LEBED and work with them in any way they desire.
