MEMORANDUM FOR: WE/6

ATTENTION :

SUBJECT :

[]
Possible Collaborator with Soviets
in Canada

1. A usually reliable source (a sensitive source) of this office reported the following. A Ukrainian emigre in the United States, who has contacts with Soviet officials in the United States and who is suspected of collaboration with Soviet authorities, told the source, following the former's visit in the Soviet Union earlier this summer, that he had learned that the daughter of fnu KRAVCHUK (KRAWCZUK, KRAVTCHUK) of Canada had been in Kiev for one or two years and that she has returned to Canada "ready to work." He added the comment that he knows the Soviets do not invest money for nothing.

2. KRAVCHUK may be identical with Peter KRAWCHUK whom your records show as Recording Secretary of the Association of United Canadian Ukrainians.

3. You may want to have this information passed to the Canadians. Please contact [] on extension 7168, Room 5B29, if you have any questions regarding the above information.
