Both seem to be interested in life in the States, jazz, and women.  
Asked about NUREEV, job possibilities, and the two friends from Moscow who had defected in Japan. Would like to talk to them at least on telephone.  
Wondered if they had been or would come to their performance.  
Asked R to find their telephone number or invite the two to the party  
R is planning on 20 June 1965 (together with an Armenian boy and girls).
