

SOURCE: Russian Woman Residing in the Netherlands
November, 1967

A while ago some man called Source on the phone and asked to visit her at home; she gave her permission. When the man arrived, he identified himself as a Ukrainian political activist. and gave his name as KOVAL'CHUK. He said that he lives in Australia, but his main apt from which he conducts his political activities in Europe is located in Switzerland. He came to Holland to organize there one of his political groups from among Ukrainians. He had already visited several cities and talked to Ukrainian men and women. But now, having seen Source, he saw that she was not a Ukrainian but a Russian, and for this reason she was unsuited for his activities.
