

Anatol -

Mac wanted to know if you have heard anything from your sources about Pavel LICKO, Slovak literary scholar in Bratislava, who has written a whole series of articles about Solzhenitsyn (in Bratislava papers). He reportedly is a secret supporter of Novotny. If you know somebody taking a trip who is reasonably reliable, you might ask them to make discreet inquiries about LICKO just to learn what people there (CSSR) are saying about him.
