1. Source's meeting with Subject took place on 4 Apr 1970 instead of on 29 Mar , but otherwise as prearranged. Subject asked several general questions about the latest developments in the Patriarchate Committee and Source's activities but nothing specific. At one point he "casually" asked in what actually political group Source was active. Asked by Source what happened to the materials "promised" to be sent last time to Source and which had not arrived as yet, Subject replied that he "unfortunately" knew nothing about it.

2. Subject is leaving for Kiev early June and wants to see Source on 31 May 1970. He asked Source if he had anything to convey from him to Source's friend in Kiev. Source sent greetings but nothing else. Nevertheless, Subject will come to see Source on 31 May in Philadelphia, Pa. again.

3. According to Source he behaved in such a way as to give no encouragement to Subject to intensify the contact. Subject seemed to have no specific topics this time and rather seemed to have come just to keep the contact "warm". Subject brought a bottle of Pertsivka as a gift.
