Subject: Contact Report with CASSOWARY 2 and [] on
11 January 1952.

1. The meeting took place at the Hotel New Yorker from 0900 hours to 1300 hours on 11 January 1952. CASSOWARY 15 was also present.
2. CASSOWARY 2 is not in favor of mixed teams.
3. He believes that the JAYHAWK contact is only with a team of couriers and not with headquarters.
 - a. Therefore, he would be unwilling to approve sending couriers on any instructions regarding drop zones, etc., from that team.
 - b. CASSOWARY 2 is still in favor of the dispatch system he outlined to me and to DYNAMO in November.
 - c. Security of mixed team arrangement would per force be poor because security of other group is poor.
 - d. Headquarters still has to say what it wants.
 - e. If the JAYHAWK team were in contact with headquarters, why wasn't an explanation sent out by headquarters as to why our contact suddenly stopped?
 - f. Until JAYHAWK contact shows proof that it is centrally directed by headquarters there is no use in planning future operations.
 - g. CASSOWARY 2 firmly believes that headquarters will give verdict in spring, either via JAYHAWK contact or by ours, which, come spring, may very well reactivate itself.
