SUBJECT: Meeting with Cassowary 15

1. At this operational meeting with Cassowary 15, the following topics were discussed:

a. Salaries for the Prologue Study Group were given to Cass 15.

b. Cass 15 said that Cass 2 was looking around in the NY area for a suitable house in which to make the broadcast recordings in the AERANTER Project. He said that it was possible that Cass 4 instead of Cass 2 would live in the house. The CO told him it didn't matter who lived there as long as it was a secure set-up.

c. Cass 15 was very disturbed and claimed that Cass 2 was too because the materials (on the ZCh courier and pouch material) that Cass 6 had given to [] on the 4th of Jan for transmission to Cass 2 had not yet been received. The CO told him that he had not yet gotten the pouch in question and that he would cable [] about it. Cass 15 accused the CO of already having the pouch and of photographing it.

d. Cass 15 said that in Munich the DUO of Rebet and Matla have decided to go it alone and without Bandera; that they have appointed a Executive committee to do the detailed work involved; that on or about the 10 Feb. 47 members of the ZCh and ZP, OUN will meet to take action in reorganizing the ZCh.; that Bandera definitely is opposed to the triumvirate deal and will probably pull out; that all ZCh members in the emigration with the exception of those in the USA are for the triumvirate set-up.
