MEMORANDUM FOR: Chief, Contact Division, OO

ATTENTION :

[]

SUBJECT: Contact Division/OO Case No. 29940

REFERENCE :

- A. SR/3/59 Memo No. 23, 3 March 1959
- B. SR/3/59 Memo No. 84, 10 June 1959
- C. OO Contact Division Memorandum, 23 June 1959

1. We appreciate the concern of [] regarding the extensive and numerous debriefings of Mrs. ~~X~~OAKLEY. However, because we are particularly interested in learning about Western Ukrainian-language broadcasts to the UkSSR, and because Mrs. OAKLEY did have opportunity to hear Western broadcasts during her visit, we should like very much to question her specifically on that one particular subject; i.e., did her relatives (or she) listen to Russian-language or to Ukrainian-language broadcasts. Although item No. 6 in Report No. OO-A-3,131,454 states that she listened to Voice of America broadcasts, it does not specify the language in which the broadcasts were heard. Also, were all the Western broadcasts listened to identified as Voice of America or were all Western broadcasts merely assumed to be Voice of America?

2. Permission therefore is being requested to submit the name of Mrs. OAKLEY to the Agency contract agent engaged in PP activities concerning the area of reference report so that he can make arrangements to obtain from her the information desired, unless of course [] would prefer and be willing to contact her once again to obtain a reply to the foregoing question.

3. If permission is granted to submit Mrs. OAKLEY's name to the contract agent, clearance also is requested to permit passing of the information contained in Reports Nos. OO-A-3,131,451-2-3-4, and OO-B-3,124,458, so that she would not be subjected to detailed questioning once again.

4. Please contact [] on Extension 4387 should you desire any additional information regarding the foregoing.
