Headquarters recommended and approved changes to the Field Project Outline for Identity 1:

**Purpose**

The purpose of this project is to support the activities of Identity 2 who will spot and initially develop ~~RUSSIAN~~ leads among the Estonian and Baltic German communities in Western Germany.

- b. Paragraph 5 "Objectives" changed to read as follows:

**Objectives**

The primary objective of the project is to spot and develop individuals who can travel from West Germany to the Estonian SSR or from the Estonian SSR to West Germany. In those cases where the original assessment indicates that the individual is a worthwhile target for recruitment, the lead will be turned over to either the case officer or another Frankfurt Operations Base action agent for recruitment and training. A secondary objective of this project is obtaining positive and operational intelligence on the Estonian SSR.

- c. Paragraph 7 "Tasks" changed to read as follows:

**Tasks**

1. Identity 2 will scan intercepted mail from the Estonian SSR to West Germany and from West Germany to the Estonian SSR for leads on target personnel.
2. Identity 2 will maintain and develop contacts among the Estonian and Baltic German emigre circles in Germany to develop leads in this milieu.
3. Identity 2 will debrief travelers to and from the Estonian SSR, returnees from the SSR, etc., for operational and positive intelligence information on the Estonian SSR.
