Re: EOX, Andras; alleged  
 French Intelligence Agent

Dear Mr. Baker:

On 5 April 1966 Dr. Michael L. KANNAS, (PhD), Psychologist, was interviewed by a representative of this office concerning an unrelated matter. The interview took place at Dr. KANNAS' office at the Pacific State Hospital, Escondido, California. KANNAS volunteered the following information:

In 1946, KANNAS escaped from Hungary and sought political asylum in France. He registered with the French police and he was told that he would be reinterviewed at a later date. Upon his second interview, KANNAS was interviewed by Andras EOX, who was employed by "French Secret Intelligence."

KANNAS stated that EOX is now in the United States and is believed to be in the San Diego area. KANNAS is of the opinion that EOX did not advise the U. S. Immigration and Naturalization Service of his connection with "French Secret Intelligence." EOX was described as a male, Caucasian, blond hair and blue eyes. EOX was a staff officer in the Hungarian Army during World War II.

No attempt was made to elicit further information from KANNAS inasmuch as this appears to be a matter within your jurisdiction. No further information concerning this matter is held by this office and our files are negative concerning EOX and KANNAS.

Yours very truly,

S. M. ZIMMEX
