 B. EGQA-3904 dated 23 March 1959

1. We have heard nothing from Headquarters on the status of AECAMUSO/3's son since his dispatch to the United States. As we mentioned in the references, we are proceeding on the assumption that all parties desire that the adoption contract be concluded here. advises us that the Augsburg Jugendamt will approve the execution of an adoption contract in another three or four months upon receipt of a follow-up report from ISS, New York. This report should state that the boy is doing well in his new surroundings.

2. We should also like to know whether the adopting parents have received the refund of the unused portion of the DM 1,200 which was transmitted to the guardianship court to cover expenses of getting the boy to the States. If it has not been received, we will ask to follow-up on the matter.
