

11 Apr 83

11 Apr - [redacted] OGC, advised that she [redacted] called Joe Vidal in California Friday afternoon, 8 Apr. just to let him know we aware of Alar Ryan's meeting with Joe on 11 Apr concerning Klaus Barbie, etc. He very much appreciated contact and if he has any questions/comments after the meeting he has [redacted] number. In a subsequent conversation with Dick Sullivan on Friday, [redacted] learned that DOJ was not aware Vidal on board with the Agency since Nov 1950 (supposedly Ryan wanted to discuss the year 1951). Vidal retired overt; he told we ^{have} no problem with him discussing anything remotely related to Barbie or the Nazi's. (obviously, any knowledge he may have would have been acquired during his tenure with CIC).
