SUBJECT: UJDOWN

1. On 8 January UTILITY stated that UJDOWN was slated to become the Chief of the Military Disciplinary Court for the new Bundeswehr as well as his current position as Chief of the Civil Service Disciplinary Court. He is reported to have drafted a new code of regulations governing the conduct of this new Military Disciplinary Court. UTILITY intends to get hold of a copy of this in order to examine it for significant measures which may tend to increase the power and influence of UJDOWN.

2. At a subsequent meeting with UTILITY on 18 January he stated that UJDOWN had come to Bonn for a few days around 10 January after which he was to return to Berlin. At this time UTILITY kept an eye on the comings and goings of @ LEOPOLD but found that the latter had not made any travel up north. Just the other day, however, on 16 January, @ LEOPOLD did put in for travel to Frankfurt after which it was learned that UJDOWN had changed his previous plans and had chosen to remain in the Bonn/Frankfurt area and was expected to be there still until 19 or 20 January which means that there was a very great likelihood of @ LEOPOLD and UJDOWN meeting in Frankfurt. With this in mind, UTILITY stated he had made some arrangements for surveilling the activities of @ LEOPOLD in the area in order to determine whether any such meeting does take place. This will be followed up by [Redacted] at his next meeting with UTILITY upon the latter's return from his current 23-28 visit in Bonn.
