SUBJECT Operational Wilhelm HEISNER ( [ ] )	ACTION REQUIRED See paragraph 4		
REFERENCE(S) EGMA-53332, dated 30 January 1961 <i>same sub: - 204-2/9E-13 sub</i>	<p>1. Recent intercepts on the HEISNER residence in Munich have produced the following items:</p> <p>a. A letter in German dated 10 February 1961 from the Hamburg Import-Export Firm, TERRAMAR Gm.b.H., signature illegible, in which William (sic) HEISNER is reminded of the previous correspondence from the firm. This letter reminds HEISNER that he had been informed by TERRAMAR that the firm, MADWAR, in letter dated 30 October 1960 had informed (TERRAMAR) that "all payments had been made to you" (HEISNER). TERRAMAR requests HEISNER's reply.</p> <p>b. A letter in French dated 17 January 1961 mailed from Tunis and signed /Chérif/. The text is as follows:</p> <p>"I had hoped for your arrival on the 15th of January as agreed, but as I always do, counting on the unexpected, I made no fixed dates with leading personalities. We dined together and talked briefly, and because I found myself in a false position, I preferred to postpone the discussion until your return. Dear friend Willi, tell me truthfully, must I maintain the friendships for our future affairs or can I consider them simple relationships. You understand that, after all our changes of plan, contacts and interruptions, I cannot (word illegible) them without embarrassment."</p> <p>c. A letter in French enclosed with the above from M. HEHRER (approximation of signature), wishing the HEISNERS the best for the coming year and saying that the writer has often talked about the HEISNERS, especially with "the friends of MARSA."</p> <p>d. A letter in German dated 21 January 1961 from A. FRANK of FRANK &amp; SCHULTE Handesgesellschaft M.B.H., Essen. The letter contains personal sentiments and the information that Herr HAX and Herr Dr. REUTHER are on leave so that the matter mentioned by HEISNER in his letter can't be taken care of until their return "the week after next."</p> <p>2. Munich files contain no identifiable traces on the MADWAR firm, nor on M. HEHRER, A. FRANK, HAX or Herr Dr. REUTHER.</p> <p>3. The only trace on FRANK &amp; SCHULTE, Essen, is a carded notation that Bernhard SZPYDOWSKI gave you MAX of FRANK &amp; SCHULTE as a reference (see EGMA-36448, 24 October 1956). UPHILL association with TERRAMAR is well documented in traffic concerning Franz STUEDEMAYER ( [ ] )</p> <p>4. We will defer to EE concerning further dissemination of the above intercepts. We are attaching the intercept of the letter from CHERIF for EE as the combination of the handwriting and our very rusty French does not make us confident of our translation's complete accuracy.</p>
