11. Summary					
<p>Mission and Plan: The mission of PP activities against Bulgaria is limited at present to the use of psychological warfare assets of the Project (radio and written propaganda material) to break the Communist stranglehold on Bulgaria, to bring about the downfall of Communist officials and their followers, to keep alive the hope of eventual liberation in the minds of the Bulgarian people, and to encourage the people to resist apathetic acceptance of Communist slavery by passive resistance.</p> <p>A Field Project Outline for all written propaganda activities directed at Bulgaria has been received and is being reviewed before being submitted for approval.</p> <p>During the month a new program format was inaugurated, eliminating the old recorded introductions which made reference to the "Brotherhood for the Freedom of Bulgaria." The radio now calls itself "the voice of resistance in Bulgaria." Scripts and recordings are being prepared by two contract agents. A new schedule of broadcasts has been set up with occasional programs being broadcast on a high-powered transmitter.</p> <p>On the night of 23 October, 7,000 packages containing needles and razor blades and 250,000 religious leaflets were air-dropped in the western section of Bulgaria.</p> <p>An Automotive Mechanical Sabotage booklet including cartoon illustrations has been completed and is ready for printing at Headquarters.</p> <p>A satirical paraphrase of the Bulgarian Constitution is being prepared in leaflet form for distribution in Bulgaria prior to December 5, Bulgarian Constitution Day, or at the latest by December 20, Election Day.</p> <p>Dr. G. M. Dimitrov, President of the Bulgarian National Committee, has been in Europe for several months discussing with the members of the Committee and other prominent emigre leaders a reorganization of the Committee by the possible inclusion of more Socialists and Independents. However, no concrete plan has been formed and it seems likely that there will be only a reshuffling of the Committee with control retained by Dr. Dimitrov.</p> <p>It has been reported that Nikola Antonov, former Bulgarian Minister to Turkey now in Washington, and two Bulgarians from Israel have been approved for membership in BNC at the recent meeting in Paris. It has also been reported that Dr. Dimitrov visited Trieste on 29-30 October where he delivered a speech to his followers exhorting them to remain faithful and not lose heart "for the day of liberation is near."</p>
