

TO WHOM IT MAY CONCERN:

This is to certify that since 16 September, 1945, Elisabeth Lezey-Fehér has been continuously in the service of the United States of America and has rendered great and invaluable assistance to our government and to the Allied cause. It should be further noted that Miss Fehér gave assistance to the Allied cause during the German occupation at considerable personal risk. If any American authority anywhere can be of assistance to Miss Fehér it will be deeply appreciated by me and by any of the Americans in Bucharest who knew her and were familiar with her work.
