MEMORANDUM FOR: THE DIRECTOR  
FEDERAL BUREAU OF INVESTIGATION  
SUBJECT: Martin BORMANN

1. Reference is made to your communication dated 29 April 1949 and our SO DB-15939 of 20 May 1949 concerning Subject.

2. We are in receipt of a report of two CIC interrogations of Arthur BORMANN, Martin's brother. Arthur BORMANN claims that he has not seen his brother since 21 April 1945 and has received no information concerning him. Therefore the report contributes nothing toward solving the mystery of Martin BORMANN's fate or his whereabouts if still alive. Although Arthur is of the opinion that his brother is dead, he does agree that there is a small possibility that he was transferred out of Berlin between 21 April 1945 and 1 May 1945 in which event he alleges Subject would probably be in Germany, Switzerland, Spain or South America.

3. CIC is keeping a close watch on the acquaintances and postal communications of Subject's son who is currently with the Catholic Order of Heiligen Herz Jesu in Ingolstadt. Nothing of interest has been uncovered so far.

4. Any further information will be forwarded you upon receipt.
