MEMORANDUM FOR: Chief, EE III  
ATTENTION: C [ ]  
FROM: OD/OP/SEC  
SUBJECT: Alarich Bross - Km 64

1. Reference is made to your memorandum of 16 October 1951, in which you state that Subject had previously been cleared operationally for ERELOPE and that this clearance was subsequently cancelled. You requested that Subject's clearance be removed for use as a W/T operator with LOPEOWL - APPARAT.
2. The records of this office reveal that the Subject was granted an Operational Clearance on 23 May 1951, for use as a training candidate under Project BOULDER.
3. A memorandum from FI Division dated 16 October 1951, cancelled the use of the Subject under Project BOULDER.
4. This is called to your attention because of the apparent error which has occurred regarding the project for which the Subject was originally cleared, namely BOULDER rather than ELOPE.
5. Your memorandum which has been forwarded to IAS was corrected to show former clearance for BOULDER rather than ELOPE.
6. It is suggested that you change your copy of the memorandum.
