MEMORANDUM FOR: Chief, FI/G

SUBJECT : Dr. Ernst BRUECKNER

1. In accordance with your instructions, I met with Mr. KARAMESSIN, FI, and [ ] of Staff C on 12 October to discuss the imminent arrival of Dr. BRUECKNER, and specifically to effect arrangements with the U. S. Secret Service, for that agency to alert us on BRUECKNER's arrival and where he will be staying. Mr. KARAMESSIN is presently dealing with one of the assistant secretaries of the Treasury on another matter, and is also ~~presently~~ acquainted with Mr. BAUGHMAN, head of the Secret Service. It therefore will be a simple matter for Tom to make the necessary arrangements on a confidential basis. I suggested to Tom that all we are interested in, at this stage, is to receive the word when Subject arrives, and where he will be staying. Once we have received this information, it will be possible to establish independent contact with BRUECKNER, if such is desired, through [ ] who is ~~presently~~ acquainted with Subject, or possibly through [ ] if he is back here at that time.

2. ~~Recently~~ <sup>Recently</sup>, Tom felt quite strongly that we should not expose ~~any~~ more CIA people to Subject than necessary, and also ~~feels that he is~~ in favor of having Subject briefed on such matters as Communism, CPO, RIS, etc., by [ ] and company; this particularly in view of the JOHN affair.
