SUBJECT: GENERAL— Operational/CARU

SPECIFIC— CARTEMAKER Possible Forthcoming Trip to U.S.

REF: DIR-28915 CARTEMAKER

1. Although we have heard nothing directly concerning this trip, we assume that since UPTHURST's trip has been cancelled, CARTEMAKER will not be going at least for some time to come. Nevertheless, as a result of remarks recently made by CARAVEL, we would like to get more details on the ODENVY tour which has been set up according to reference. CARAVEL said he recently entertained the Indian Criminal Police Chief, a veteran of over 20 years in the business, who had recently been to the U.S. and had been treated to exactly the same tour as is available to any tourist. He complained bitterly about this slight in CARAVEL's presence, and his complaint was echoed by the Egyptian criminal police chief, who had allegedly suffered a similar rebuff.

2. If and when CARTEMAKER's trip does come up, we certainly do not wish to see him embarrassed in this fashion. If we cannot be assured that he will get some sort of preferential treatment, we would much prefer to cancel the ODENVY treatment entirely and see an arrangement made with one of the top state or municipal agencies for a planned and detailed course of 3 to 4 weeks.
