1. Some three months have passed since reference A reported that CASSTIRHP-1 had been hospitalized in Hamburg with a heart condition. Since that time, we have heard nothing further concerning the attack. Reference B, however, mentioned CASSTIRHP-2 as serving in the capacity of Acting Chief of the CASSTIRHP organization.

2. We would appreciate it if you would let us know how Subject is coming along and what his chances are for full recovery.
