1. We note that reference has never been answered and regret the oversight.

2. Kriminalrat Kurt BUETTNER (was born on 27 March 1911 in Berlin). He currently resides in Beuel, Ringstr 5. His residences since 1945 have included:

a. Dollerup, Krs Flensburg.

b. ~~Aachen, Weberstr 53, and Hardtsburg 53.~~

c. ~~Innebeck, Fackenburgstr 30.~~

d. Wiesbaden, Adelheidstr 40.

3. He heads CASTIRRUP's Sachgebiet S (Begleitschutz und Sicherungsdienst) with the title of Referent and is assisted in his job by 27 officials. Our dealings with him are rare indeed and we are unable to add any pertinent personal observations. We recently learned from BUETTNER that he has developed a new type Filing Cabinet Safe which is light, but fitted with a "foolproof" alarm system which does not use ultrasonic methods. He claims it is superior to anything currently on the market. We will undertake to learn more of this amazing invention when the opportunity presents itself.
