SUBJECT	Operational/UPHILL/UJROULET/LCIDIMPROVE Photographs of KGB officer			

ACTION REQUIRED - REFERENCES

See paragraph 1
REF: RMA 56970, 4 December 1961

1. Comparison of the photographs attached to reference with those available in Headquarters of KGB officers failed to yield any identifiable results. Please inform UPHILL.

2. The undersigned was struck by the fact that the larger photo reportedly taken in Vienna during September 1961 was obviously altered in some manner. It would be interesting to know whether it was in this form when UPHILL received it, presumably from UJROULET, or if UPHILL headquarters altered the photo before giving it to MLB.
