1. We have recently completed a final review of BOB files on the status of the CABATON accommodation addresses. We have already notified you of those addresses we consider compromised for BOB use, however, in order that our records and yours coincide, the status of all BOB letterdrops assigned to BOB is given below.

2. CABATON letterdrops no longer used by BOB are as follows:

- a. CABATON 21 - This address is not being used per your request in PROB-7475, 6 August 1960 which stated that the drop was assigned to a HIWAY operation.
- b. CABATON 24 - The records show that this address was given to CASALTY 6 in March 1959. As CASALTY 6 was arrested in October 1959, we plan no further use of this drop. This address was also given to CAVÁLLO in March 1959 (see EGBA-56154, 23 March 1959). He has since been resettled in the West.
- c. CABATON 30 - The compromise of this address was reported in reference A, but we have asked you to keep it active for any mail CASHARK 3 may possibly send.
- d. CABATON 39 - The compromise of this address was reported in reference B in which we requested that the address be kept alive for operational reasons.
- e. CABATON 42 - The compromise of this address was also reported in reference A.
