11. Summary																	
<p>NOTE: This resistance organization has eighty-one cadre groups geographically distributed throughout the Soviet Zone. The groups are assigned to specific functions, such as E & E.</p> <p>a. The East Zone has been divided for CADRASTIC administrative purposes into two parts, North and South. This division will not affect the structure of the organization but should facilitate headquarters management and control. Since an organizational breakdown for these two sections is not yet available at the home office, a consolidated summary follows:</p> <table style="margin-left: auto; margin-right: auto;"> <tr> <td>Area Chiefs</td> <td>4</td> </tr> <tr> <td>81 groups</td> <td>485 members</td> </tr> <tr> <td>W/T Operators</td> <td>15</td> </tr> <tr> <td>Independent</td> <td></td> </tr> <tr> <td>assets</td> <td>51</td> </tr> <tr> <td>TOTAL DDR ASSETS</td> <td>555</td> </tr> </table> <p>b. Three agents have been arrested in addition to the two reported last month. To insure that this would not lead to further arrests, nine other agents have been exfiltrated to West Berlin. This measure, coupled with the compartmentation which was built into the organization, has apparently contained the compromise. A thorough security investigation is being conducted.</p>						Area Chiefs	4	81 groups	485 members	W/T Operators	15	Independent		assets	51	TOTAL DDR ASSETS	555
Area Chiefs	4																
81 groups	485 members																
W/T Operators	15																
Independent																	
assets	51																
TOTAL DDR ASSETS	555
