CARBONHYDRATE - Personal Security

Synopsis: This report contains a financial request.

1. Through the arrest of CACARANA, we received concrete evidence that the SSD shows extreme interest in CARBOHYDRATE. CACARANA's wife stated that she had to sign a contract (Verpflichtung) for the SSD, in which, among other things, she had to pledge herself to assist the SSD in their endeavor to kidnap CARBOHYDRATE.

2. Furthermore, CACARANA's wife stated that the SSD was surprisingly well informed about CARBOHYDRATE's job with CADROY, his residence, and his daily habits. We have issued a pistol to CARBOHYDRATE. In concurrence with [] suggestion which he made during his last visit to BOB, we now desire to buy CARBOHYDRATE a small car, preferably a Volkswagen. At present he rides a motorcycle, a mode of transportation only adequate in summer. Furthermore, a motorcycle can be rammed much easier than a car. We also contemplate using this car in the CART section with appropriate changes of license plates, title, etc, prior to usage. A garage a few blocks away from CARBOHYDRATE's residence would be rented for this car and it would be equipped with two sets of registration plates. Request approval for 1,000 DM for the purchase of this car. An early reply would be appreciated.
