 CARBONHYDRATE Security Clearance

Ref: ECRA-3483, 9 Oct 53 - oral agreement with C - signed by [redacted]

1. In reviewing the CARBONHYDRATE file prior to submission of referenced Oral Agreement to Headquarters, we note that there is no record of a security clearance being granted to CARBONHYDRATE since his assignment to CADROIT. While we realize that the FIO approval granted CARBONHYDRATE for the earlier mission of penetrating the East Berlin police implied a security clearance, the new mission assigned CARBONHYDRATE within CADROIT requires a reconsideration of his security by headquarters. We have been informed that with each change of assignment by an agent, a new security clearance is obligatory.

2. We therefore request that Berlin submit a new request for FOC on CARBONHYDRATE to Headquarters based on his present assignment.
