11. CADROIT-4: I mentioned the arrest of Hans BARTHELE II and two other MA's. He hadn't heard about this and was quite provoked at CADROIT-4, for not having told him. He got on the hackneyed subject of CADROIT-4, in the usual vein. It boils down to the fact that he thinks he is lazy and unimaginative. I can't judge the laziness, but I will support the latter charge.
