3. While reviewing project assets as submitted with your renewal request in Reference, it was noted that CAFOLD-11 (item C, 23) is listed as being administered under the CATRANSIT project. However, no money was allotted for her in the monetary breakdown (item J,2). Therefore, assuming that CAFOLD-11 continues to receive her salary from CAFOLD project funds Headquarters did not include this asset in either of the projects personnel breakdown.
