MEMORANDUM FOR: Assistant for Information, DDA  
SUBJECT : S. 653  
REFERENCE : 4 April 1975 Request for Office of  
Security Review of Subject Bill

1. Pursuant to your request, Mr. Proxmire's bill, S. 653, and the draft letter concerning the bill to be sent to the Committee on Government Operations by Mr. Colby has been reviewed by appropriate components within the Office of Security.

2. Our position is in full accordance with the gist of the letter. We do not believe it is a sufficient defense of our foreign and domestic assets to simply require a security clearance of the General Accounting Office personnel assigned to audit intelligence agencies.

3. As an alternative to categorically opposing the bill, it is suggested that we propose to expand the past CIA relationship with the General Accounting Office. Under this arrangement, a designated group of GAO officers, fulfilling all security requirements of CIA staff employees, would be assigned to this Agency for prescribed tours with the sole purpose of attending to GAO audit requirements of CIA programs.
