LIST OF 700 LEADING POLISH SCIENTISTS
SIGNING LETTER TO US SCIENTISTS

An open letter to American scientists appeared in the Polish periodical Problemy in June 1950. The letter, which contained an appeal for the outlawing of the atomic bomb, was signed by the following list of 700 Polish scientists. (Names for which no affiliation is given in the list below were checked with the Ilustrowana Encyklopedja, Tuszaska, Evert, i Michalski, Warsaw, 1927. An asterisk before such a name indicates that the name appeared in that publication, with biographical data.)
