MEMORANDUM FOR: Director of Public Affairs
FROM: Director of Central Intelligence
SUBJECT: Media Commitments

At the Washington Press Club dinner on Wednesday night I was approached from three different directions for media commitments:

a. Karen Fieldhouse urged me to reschedule the luncheon with the Wall Street Journal. I indicated I would talk to you!

b. Bob Abernathy of NBC talked about the series they are planning to do on the TODAY show with respect to intelligence. He said he would be working with you to get me to participate. I smiled!

c. Carl Bernstein, who is taking over as the Washington program manager for ABC, suggested having an informal lunch together sometime in the next two weeks. I said maybe on the other side of two weeks would be better. In point of fact, I would rather like to have a chance to talk with Bernstein and find out what kind of a person he is.
